sense and simplicity

Highlights

Forms and materials
Philips inStyle lighting fixtures are designed to fit perfectly with the best of all interior decoration, offering multiple styles to blend perfectly in anyone's home. With many applications and finishes, they combine well with features like curtains, furniture, paint and accessories to complete the look you desire. Careful attention to details and designs helps you to express your personal style, for interior decoration just the way you want it. This means an inviting ambience and surroundings that friends, family and you will enjoy.

Multiple applications

If you enjoy design, and like to experiment with the latest styles and themes in your home, try Philips inStyle. It's a range of decorative suspension lights, wall lights, ceiling lights, floor lamps and table lamps in premium materials and different colours.

Brilliant with light
This Philips energy-saving lamp offers brilliant light to highlight features or create nice ambience in your room, while saving energy compared to traditional halogen lamps.

Bi-directional light

This lamp gives you the flexibility to provide powerful diffused light for general illumination while offering a second option for orientation light. This functionality is possible thanks to the integrated switch box.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

On/off switch on article

With the button discreetly integrated into the article, you can easily switch the light on and off.

Ultra-long lamp life
Philips lamp included with an ultra-long lamp life, up to 1.000 hours.
